

**STARR VALLEY RANCH  
PROPANE TANK POLICY  
(Approved October, 2022)**

**Propane Tank Policy and Procedure:**

The propane tank policy is intended to maintain the natural aesthetics of Starr Valley Ranch for all residents while allowing for residents to add gas as a heat or power source.

*Policy:*

- Any propane tank installed after 1 August 2022 will be required to be buried consistent with local government and utility regulations and procedures.
- Any tank installed prior to 1 August 2022 can remain as is.
- In all cases, homeowner will be required to maintain propane tank in accordance with local government and utility regulations, procedures and best practices.

*Procedure:*

- Homeowners should use the Construction Request Form to request propane tank installation.
